

Teachers Wish List

brought to you by the **John Swett Education Foundation**,
P.O. Box 455, Crockett, CA 94525. Tel: 510-541-5778

Purpose:

To help teachers with professional development, i.e. extended learning, or materials needed for classroom or extracurricular projects. We will review each request (be it monetary or materials) and weigh it against other requests and our budget in making award determinations.

Instructions: (please print)

Describe your need and give us as many details as possible including a time frame and budget, how many students will benefit, etc. Before funding projects, we may want to have a conversation with you so be sure to include all your contact information below. Upon completion, make yourself a copy and mail one to our post office box OR fax to 510-652-5899.

NOTE: At the request of the JSEF board, we may ask you to make a presentation at our monthly board meeting held the 3rd Monday of each month at 6:30 pm (no meeting in December). We will do our best to expedite your request and get back to you within 2-3 weeks but it may take 4-5 weeks as a board vote is needed for most expenditures which are handled either in a monthly board meeting or by email when possible.
